MYRIALOG

FOREWORD

We, the Class of 1962, present to you the last publication of the Myrialog—a treasure of photographs and information to remind you of the school and its activities, as edited by the Myrialog Staff.

We, the seniors, have aimed to preserve all the memories of our days at Myerstown High School and all the wonderful times we had working together.

After twelve years of work and fun, we have reached our goal. We present this yearbook to you, the students who will be entering the new school, and hope you will have a yearbook which will enable you to relive your school days in the Elco School.

VALENTINE DANCE

ALMA MATER

Faithful and true-hearted, Let us cheer our dear old High,
We revere her and defend her, and her colors proudly fly;
We will stand for her united, Of her deeds we glady tell,
Her colors streaming, Glad faces beaming,
So here's a cheer for her that we all love so well.

Chorus

Joyous and ever loyal, Let us boost for our old High,
Let ev'ry heart sing, Let ev'ry voice ring,
There's no time to grieve or sigh.
It's ever onward, our course pursuing, May defeat ne'er our ardor cool,
But, united, We will boost for her, our Old High School.

II

Honors she has taken, On the track and with the ball,
May she always rank the highest, May her colors never fall.
There's no other that can match her, When her team is on the field,
Her boys the fleetest, Her girls the sweetest.
Then here's a cheer for her, for her who ne'er will yield.

SCHOOL HISTORY

The Hill School, which is located on North College Street, was erected as a result of the consolidation of the original limestone school. The Infirmary and the Hill School served as our educational institutions until the erection of our present high school.

Architect, Edward Z. Scholl, and contractor, Andrew J. Fink, built our high school in 1915.

The members of the first board of directors were Dr. D. U. Wolff, George Uhrich, Ephraim Bleistein, John Schoener, and Harry Kline. We have had the following principals: J. J. Strahl, Ralph Davenport, Chester Hartzler, Henry Hollinger, Walter Richter, John Auld, Harvey L. Nitrauer, and presently Walter W. Wertz.

Engravings on the cornerstones of our school are: "Education is the cornerstone of success," and "Wisdom is the birth of freedom."

DEDICATION

We, the Class of 1962, proudly and sincerely dedicate our yearbook, the "Myrialog", to those staff members of the past who began and continued publishing facts, information, pictures and other interesting data relative to the school.

We do not overlook the untiring efforts of various individuals who assisted us, and the patrons who financially aided us in this project.

May all the Myrialogs of the past and the present one be pleasant memories to recall in the future.

TRIBUTE

We pay tribute to the following faculty members, Miss Immel, Mrs. Saunders, Mrs. Hartung, Mr. McNeal, Mr. Fake, and Mr. Kugle who have counseled, assisted, and urged us on to finality.

Throughout our Senior year they have encouraged us to greater responsibility and reminded us not to "squander time for that is what life is made of." (B. Franklin)

BEGINNING OF EDUCATION IN OUR COMMUNITY

Education dates back to the first settlers of the Myerstown region, for they and their ideas laid the foundation for the schools of yesterday and today.

As they made their homes in the rich valley, the German settlers brought with them from Europe the idea of church schools. This idea prevailed until 1767 when the non-parochial school system began.

In this year Simon Bassler, and John Meyer provided for the erection of a long, low school building of logs. It was located at Main and Goodwill Streets and accommodated children within a five mile radius.

It was not until 1804 that the German School was built just west of the Lutheran Church. This school was managed by the Reformed and Lutheran Churches from which each had a trustee to do their managing.

The next school to be constructed was a log structure founded in 1820 on the present site of Thomas W. Batdorf's Memorial Studio.

In 1845 the first school tax was levied in acceptance of the public school law. Eight schools were erected throughout the town, of which seven are still standing but used as homes. These schools convened for only two or three months a year.

The erection of those eight schools marked a definite advancement, for in addition to the three R's the following subjects were added: grammer, geography, history, physiology, and English.

The consolidation of the early schools resulted in the erection of the presently known Hill School building on College Street in 1885. In 1895 on Railroad Street a high school was built which now is used for a rest home.

The final educational institution is the present high school which was built in 1915. This building is now under the direction of Mr. Wertz, supervising principal.

The first yearbook was edited in 1921 by the senior class and was re-published by the senior classes of the following two years. The Myrialog, as it came to be known, was resumed in 1949. Since this time a Myrialog has been published each year. It is the policy to dedicate the yearbook to a faculty member who has been of great help to the senior class. (This issue is the last Myrialog for a Myerstown Class).

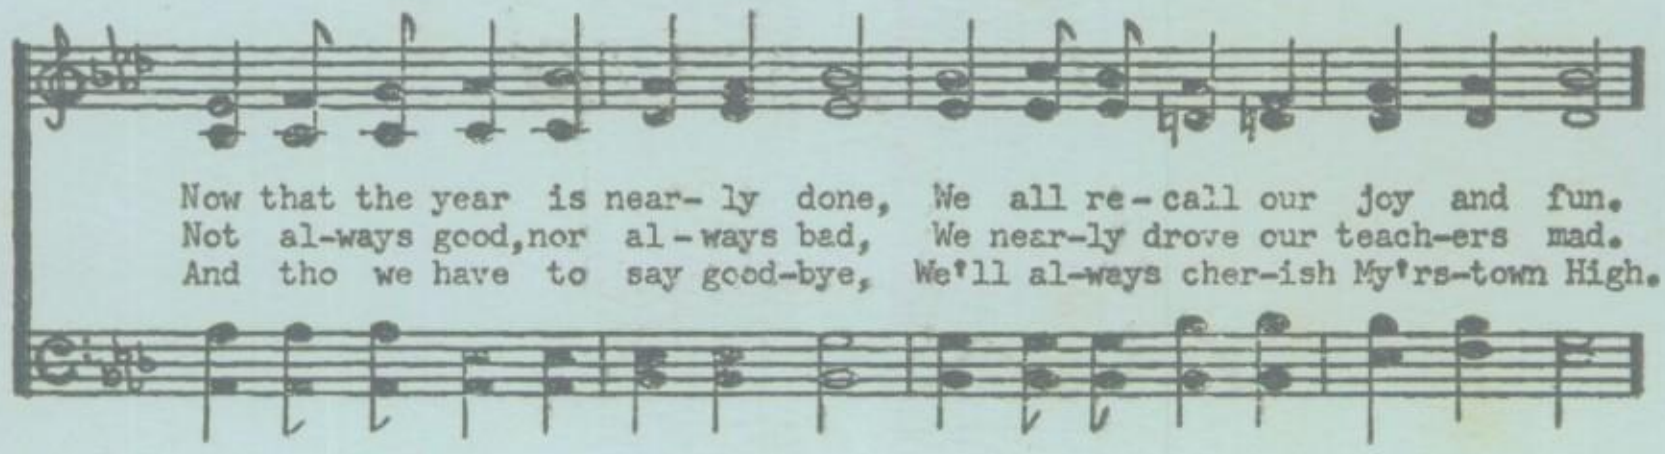
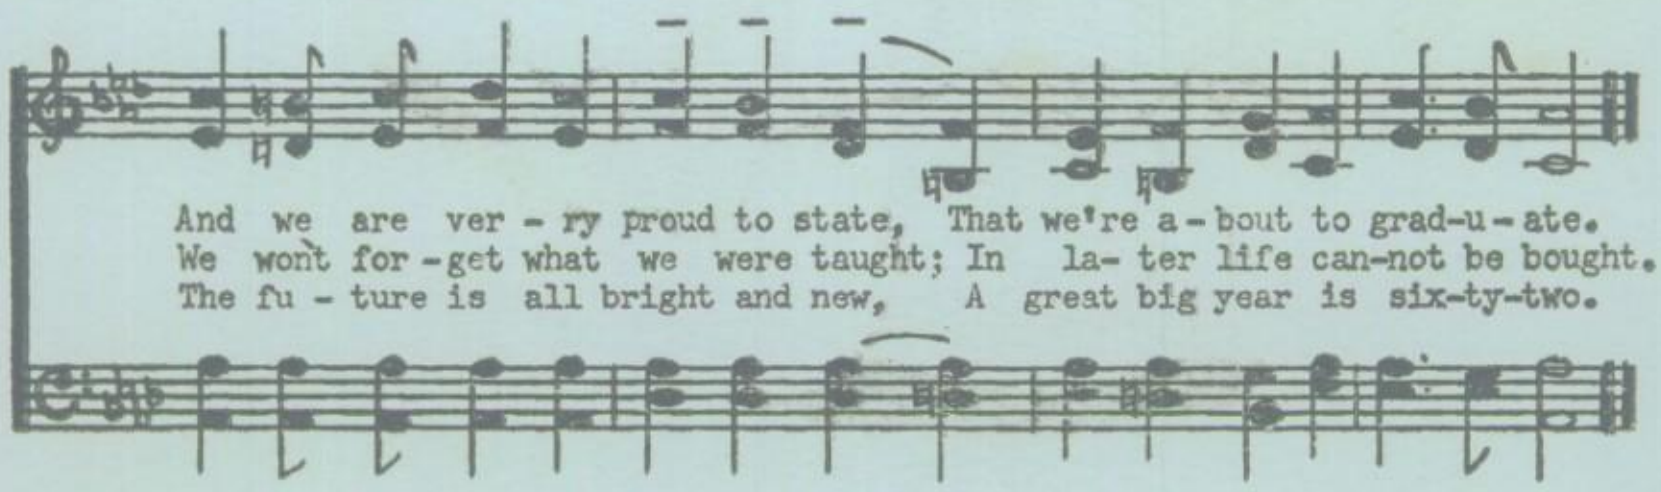
We are the class of six - ty two, The faith-ful, loy-al, brave and true.
We would re-call the best of each: The stu-dents and the ones who teach.
Tho times of part-ing bring dis-may, With joy we greet grad -ua-tion day.



Now that the year is near- ly done, We all re-call our joy and fun.
Not al-ways good,nor al-ways bad, We near-ly drove our teach-ers mad.
And tho we have to say good-bye, We'll al-ways cher-ish My'rs-town High.



And we are ver - ry proud to state, That we're a-bout to grad-u-ate.
We wont for-get what we were taught; In la- ter life can-not be bought.
The fu - ture is all bright and new, A great big year is six-ty-two.

MEMOIRS OF THE SENIOR YEAR

No one need ever tell us that the senior year is one of leisure. Projects must be persued in order to financially enable us to attain our goals in this our final year. We became salesmen through the Berger Plan early in September. At the same time we canvassed the town for subscribers on the magazine campaign. The Class Play took many weeks of preparation; this being followed with staff appointers for the issuing of the Myrialog.

Our trip to New York we our eagerly anticipating with a great deal of pleasure. Then the serious days of Baccalaureate, Class Night, and finally Commencement on May 31.

CLASS HISTORY

In 1950 thirty-one miniature geniuses were torn from their mothers' apron strings and tossed into the first grade. Here Miss Loose tried to give us a start in formal education. We showed off our musical skills in the rhythm band and (due to an unfortunate incident) lost our big base drum—remember Kathryn Myer regurgitated.

The following year we migrated to the school on the hill. Mrs. Emerick taught us to eat the right thing for breakfast, and we became members of the Cardinal and Bluebird Breakfast Clubs. Even the walk down to Main Street seemed several miles long. Those were the days we read about Alice, Jerry, and Jip, and were divided into classes according to our reading ability.

During our third year, taught by Miss Schell, we became skip-rope enthusiasts. This year we were proudest of our prize possession, our huge paper-mache elephant, which our own little hands had designed. The two most thrilling events of the year were: Little Oscar arriving in his hot dog truck, and our visit to the Shrine Circus at Harrisburg—recall how the huge monkey came and visited the audience. Too bad it didn't come near us.

Our fourth grade, with our own lockers, was spent on the second floor of the hill school under the supervision of Mrs. Weaver. Marion Schnoke, from Mt. Aetna, joined our class at this time. Who had the neatest arithmetic workbook and handwriting in the fourth grade? Nobody else but Kathrine Keener. Yes, this was a memorable year for we made our first public appearance in two plays: "William Penn and the Indians" and "A Good America," which were amusingly interrupted by the fact that Connie Kline had stage fright—her mother was not present. Naturally we played the traditional games of girls catch boys and boys catch girls.

It was in the fifth grade that Mrs. Snavely took us into her tender loving care? ? ? We learned the meaning of perseverance and how to do the tongue test. Remember this, seniors? It was to make sure your teeth were clean. Square dancing became the current rage, our favorite being "Picking Up Paw-paws." Competition was hot and heavy on weekly reader tests—high scorers were Larry Forry and Susie Bordner. This year the girls became great baseball lovers—remember our Casey at the bat—yes, it was Mary Schoener.

We were now the "upperclassmen" of the Hill School with Mr. Snavely in complete control. More than once we came home from school looking like erasers. We got into the routine of coming in early to do over our "do overs," especially arithmetic. This was the year we were introduced to a new subject "boys" by none other than Ann Strauss.

As we entered M. H. S., Mr. Hoffman and Mr. Fabel guided us through the halls. As we struggled to find the right class rooms, the halls of M. H. S. became a lot noisier. Our class was greatly enlarged by newcomers from Jackson Township which increased our total to seventy-three. Mr. Gates, our famous English teacher, spent countless hours in the shop after school designing an unbreakable paddle for Mike Lebo. Also during English classes our boys acquired a steady aim with a water pistol, and we learned to cough and drop books on time—remember the time we had to write five chapters of our English book because we all coughed at two o'clock.

Miss Fanelli and Mr. Ayers were our homeroom teachers during the ninth grade. It's a miracle the boys did not get ptomaine poisoning seventh periods due to the delicious (?) cake smuggled to them from Home Ec. class. We couldn't count the number of essays written for Mr. Ayers on chewing gum and talking. Betty Mauser, from South Lebanon, joined the class at this time. Our theme song became "A Capital Ship," while our favorite piano imitation was the "Anvil Chorus." The most outstanding event of the year was our trip to Gettysburg with Mr. Kugle setting a track-like pace.

Tenth grade came, giving us the honored title of sophomores. Our pride and joy was our baby blue charcoal grey class jackets. Our natural acting abilities were portrayed in "Comin' Round the Mountain," with Ann, Fred, Wooly, and Marian Helder making their debut. Biology classes, which were especially pleasant for the girls, were spent disecting worms, crayfish, and frogs. Donna Scipioni, Charlotte Eckenroth, and Jerry Reed, three light heads (we mean hair), joined our class. Yes, it happened to us. Donna and Catherine arrived at Hershey Stadium after the first quarter of the hockey game,—why? They missed the bus. How interesting (??) our English classes became due to Mr. Kugle's inspiring (??) lectures featuring Charles Van Doren, Henry Steele Commager, as well as Franklin and Marshall College. Mr. Whitfield and Miss Fanelli were our homeroom teachers that year.

Eleventh grade appeared and with it came geometry, German, and bookkeeping. The arrival of our shiny new class rings had us all beaming. The usual pattern followed—freshman and sophomore girls were soon wearing junior class rings. Mr. Kugle was confronted with many major, as well as minor problems in our homeroom. Mr. Hess taught us how to be efficient drivers, although some of the boys forgot quickly. The highlight of this year was a beautiful evening spent entertaining the seniors at the "Mardi Gras." We labored many hours decorating for this event under the careful supervision of Mrs. Brightbill. We had our trials and tribulations.

Seniors at last! A busy year of hard work was ahead of us which was to bring great rewards. Mr. Fake, having no respect for the dignity of seniors, forced many of us to attend eight o'clock classes. The reason for these early classes was tardiness—and who do you suppose were charter members?—Lutzie, Penny, and Donna.

The first three months of our senior year were devoted chiefly to three major projects: The Berger Club, the magazine campaign, and the senior class play, "Terror in the Suburbs." Being a murder mystery we uncovered new talent and had two nights of howling success. The staff for the annual publication of the Myrialog was chosen in October and work began within a few weeks. While I am writing this the completion is within view. Tireless hours by some members of the staff, and their able advisor Miss Immel, in order to secure information, in research, in designing, in class polls, in hours of photographing classes, as well as class officers —plus many more details necessary in the editing of a yearbook took up our time. Another customary and annual highlight of the senior year is the Valentine Dance sponsored by the Sr. Tri-Hi-Y. The memory is a beautiful, but unfortunately, short one—one night and it is all over.

Remaining, however, are four more months which will be filled with such activities as field trips in P. O. D. to court, and the jail. Tentative plans to New York are in the making; Class Day activities and Baccalaureate to be planned in the future.

Twelve years in school life has past and gone—good days, bad days, long days, short days, busy days, loafing days, new friends, a sense of responsibility, and plans made by many in terms of the future. These are the memories of our school life.

CLASS PROPHECY

"Time-a-vac" a mechanical brain that has been fed detailed information on the Senior Class of 1962 has provided us with the following information of that year twenty years from now. The year is, 1982.

Susie Bordner is head secretary at the Hopeless Book Publishing Company, Inc. located on Satellite One. Their slogan is "If you can write it we can sell it." Marion Schnoke and Nancy Hower, assistant typists, are having trouble handling the Martian transcripts.

Jim Yiengst has opened the "Happy Hoppy Horse" Riding Stable. His most frequent customer is Millionaire Flying Haak who owns and operates an airport. Jim, however, has trouble keeping the happy horses from hopping and has Catherine Schworer, part owner of the stable on de-enargizing their diet.

Artist Charlotte Eckenroth has opened a spacious art studio which deals with the drawings of space radiation forms which are invisible.

Nurse Marian Helder is working at the Live Long Hospital. Her special job is to take care of the accident cases that come in from Mars and Jupiter. A most frequent patient is Mark Gibble who is the test pilot for the Z-7296 3/16 Rocket.

Connie Kline's Dietetic Food Stores are going to merge with Thomas Christman's O & P Stores to form the largest chain of stores in the universe.

On Luna Tuny Vision we see that great bowling star John Nevius who has 623½ perfect games to his credit. He is now enroute to compete with the moon singles champion.

Fighting for our Solar System are Robert Wengert and Larry Forry. Working for the F. B. I. and investigating invasions of flying saucers, they have received silver matching cup and saucers.

Heard for the first time anywhere this year, the new singing star Herb Miller who has sold a million copies of a recording of the "class song of '62."

Marilyn Lindermuth and Donna Scipioni have opened the "More Beauty, Less Weight" shop. This is a beauty and reducing salon on the planet, Amos. Nurse Betty Neiswender has recently joined the firm to help give revival pills to persons who collapse from exhaustion or surprise.

Richard Weirich is top salesman for the VO Spherical Wig Company. His product guarantees hair that will last a lifetime and maybe even longer.

Mary Schoener has worked her way up to the position of head designer for the House of Christian Schiors. Mary's design called the "Half Moon", modeled in the Spring by Jeannette Ernfield, won recognition as the most unusual design.

Penny Honker, lady tycoon, is President of the manufacturing company for Peppy Pantalope Pills. Lester Gettle has the job of guarding the gold door to the room that holds the secret of how the pantalope pills have acquired their peppiness.

Nancy Boyer and Nancy Oberholtzer are at the Universal Fair this year to compete for top honors of Miss Giggle Box of 1982. Ron Garloff has taken time off from teaching gym classes at "Falling Stars Space School" to judge the contest. By the way the "Falling Star Space School" is located half way between Satellite 7 & 8, and is Kathrine Keener's private unfinishing school for space cadettes.

In the sport's world we find coach Gene Haag of the Tiros playing the championship game against coach Bicksler's Nimbus champions with Recovery Hal assisting along medical lines.

Marlin Daub has recently opened his new missle center on Aeros, employing Larry Klick to count asteroids.

Gladys Shaeffer, Secretary for the Under-Secretary to the Under-Secretary of the Secretary of the Fuel Development, has written a letter to Linda Feeg selling her half of Asteroid 47. Miss Feeg plans to drill for 3 and 1 oil and establish a refinery for the Rocket Oil Company. Foreman of the refinery—none other than Glenn Bicher.

Ann Strauss is now teaching school to the Venusians. Also on Venus are Jerry Reed and Betty Mauser who can be found training baby Astronauts for the year 2000.

Mohawks Win County Soccer Title

Loren Kline New Soccer Coach At Myerstown High

Myerstown High School's soccer team opens its 1961 Lebanon County League season tomorrow afternoon at Northern Lebanon with a new coach handling the reins.

Loren Kline, a former All-County performer himself before graduating in 1956, has returned to his alma mater to color a club that in his words, "has a lot of potential." Kline also put in four years at collegiate soccer at Penn State University, from where he graduated in 1960, and then completed a year of post-graduate work at Temple University.

In his initial venture into the coaching soccer ranks, Kline will inherit a team that completed a dismal 1-7 record a year ago to finish at the bottom of the heap in the conference.

Garloff Returns

The Mohawks have seven starters returning from last year's aggregation, including co-captain Ben Garloff, who was the lone Myerstown booter to make the All-County team in 1960.

Garloff will man one of the halfback spots alongside Dave Bricker, the other co-captain who has been moved back from the forward line where he spent last fall. Bricker and Garloff are both seniors and will team with either Lewie Lord, a senior, or Denny Fields, a junior, at the halfback positions.

A pair of twelfth graders, Mike Lehr and Bob Weirich will handle the fullback assignments with Ed Shoop, a junior letterman who started last year, manning the goalkeeping berth. Charles Eisenhauer, a promising freshman, will be around to lend a hand to Shoop as an extra guard.

Senior Dave Haag is scheduled to hold down the center forward slot, while teammate Richard Deck mans the starting call at inner left and Steve Glass holds down left wing.

The wing spot is to be in the capable hands of senior Larry Ferry and Larry Eisenhauer, a soph.

The Mohawks have already completed a pair of non-league contests from Lancaster County schools and also suffered a defeat at the hands of their Alumni.

King is his new job replaces Bobby Hartman who handled the Mohawks in schedule play for the seasons before dropping out of the teaching profession to enter the insurance business.

Myerstown's Mohawks won the first half championship of the Lebanon County Soccer League by beating the Annville-Cleona Little Dutchmen, 3-1, Friday on the latters field in another league battle. South Lebanon Interscholastic Soccerites, 4-0.

The Mohawks, under the direction of a new coach, Loren Kline, ex-Penn Stater, finished the first half with an undefeated record in four games. Also finished second with a 2-1 log.

Hunt Connects

Larry Ferry, the Mohawks outside right, crossed the ball in front of the Annville-Cleona goal to Pete Hunt, the outside left. Hunt charged in from his position, collided with the visiting fullback and still managed to put the ball in the nets giving the Mohawks a 1-0 lead.

Hunt was injured on the play but not very seriously as he returned later in the game to take part in the scoring again.

The score remained that way until Myerstown scored another goal in the third quarter. Glenn Hinkelman, diminutive inside right, booted one into the goal following a pass from Larry Eisenhauer.

Score Again

In the fourth period, the Ferry-Hunk combination hit again. This time Hunk, from his left wing position crossed a pass in front of the goal net to Ferry. Ferry met the pass perfectly and drilled home the Mohawks final score.

Under PIAA soccer rules the team with the most corner kicks is declared the winner if the game ends in a tie after eight periods of action.

The Berk winners from the Berks school followed on the total corner kicks with Bethel showing a 17 advantage for the home team and Myerstown a 16 tie.

The district officials however declared the Bethel total was official thus declaring Bethel [illegible] victory.

This decision was reached despite a protest from Myerstown that no official scorer was designated prior to the game in accordance with PIAA rules.

Approximately 300 people braved the weather conditions to watch the two county champions put on a fine performance considering the elements.

Doing outstanding jobs were both goalies, Ed Shoop of Myerstown and Victor Dove of Bethel. Despite the slippery ball, both made several fine saves throughout the contest with Shoop racking up a total of 13 saves and Dove, a total of 16.

The first three periods of the contest were scoreless despite the fact that the Mohawks spent most of the time in Bethel territory.

With less than two minutes left in the game, Dan Zellers put Bethel out in front with a goal from his outside right position.

The Mohawks then put on a [illegible] Bethel net and with only 45 seconds remaining tied the score.

Mohawks, Norlebco Tie For Second Half County Soccer Title

Myerstown and Norlebco wound up in a tie for second half honors of the Lebanon County Soccer League when Myerstown beat Annville-Cleona 3-1, and Norlebco blanked South Lebanon 2-0, in Tuesday's action, the final day of the regular season.

A playoff game between Myerstown and Norlebco to determine the second half champion will be played Friday afternoon on the Annville soccer field.

Should Norlebco win the playoff encounter, the two teams will meet again to determine the champion for the season. If Myerstown wins, the first half champs will wrap up the 1961 crown.

Coach Loren Kline's Mohawks hit the warpath early when winger Larry Ferry drilled a shot past the Annville-Cleona goaltender.

In the second period the visitors added another score when the Little Dutchmen converted a penalty within the closest quarter. Myerstown took advantage of the infraction as Richard Deck netted the penalty kick into the home team net.

Fight Back

The Little Dutchmen came out in the third quarter with revenge. Billie Neidich sent a shot into the Myerstown net to cut the visitor's lead to one goal.

The Mohawks came back in the final period to shoot the death knell into the Little Dutchmen when Gene Haag scored following a perfect pass from Ferry.

co-first - half champions, swept the race in 1961 Lebanon County Soccer League champions.

That three-goal splurge broke a scoreless deadlock with open for a time but the Mohawks were never called upon to throw up a strong defense when the determined Vikings battled back to make a game of it in the final frame.

Triumph For Coach

The title - clinching playoff victory gives the Mohawks an overall 8-1 season record, and is a decided triumph for the new Myerstown coach, Loren Kline.

He took over the team that was only one of eight league games last year, and directed it to the school's first championship in some years in his first season at the helm.

Norlebco First Half

Neither team was able to find the mark in the first half, although Myerstown spent most of the time in Norlebco territory and missed two glorious opportunities.

Defenseman Joel Bonding by George Rauch thwarted the several Myerstown scoring chances in the first half.

3rd Warpath

The Mohawks hit the warpath in the third quarter and once

Myerstown conquered its scoring for the third period and the game as Glenn Hibshman took a perfect pass from Eisenhauer to score the goal that proved to provide the margin of victory.

Vikings Fight Back

Myerstown appeared to have the game all sewed up but the Vikings came out in the last period with more determination than anything before in the tussle.

Paul Snyder, Norlebco's aggressive center halfback, took a corner kick from Dan Snyder and headed the ball into the Myerstown net on a beautiful shot.

That goal fired the Vikings to renewed effort as they kept the pressure on in still a second goal to cause the Myerstown edge to one goal.

Bob Ayerale settled the most confusion in front of the Myerstown goal by booting the ball past the Mohawk net tender.

That goal ended the scoring but the hustling Norlebco lads of coach Myron Hammen kept it up to the very end. Myerstown's defense rose to protect that one goal lead, however, to complete a sweep of the league title as runner-up champions.

In addition to the top job done by Rauch, credit must be given to the Myerstown goalie. Ed Shaw, in his first year through, experience came pressure in the nets game.

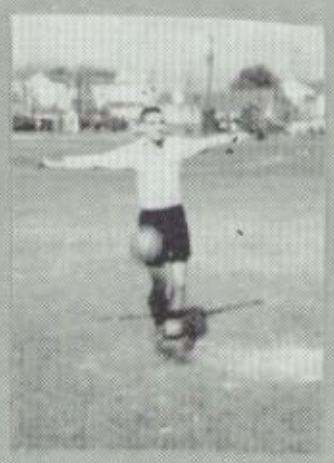
Mohawks Top Elco

Glenn Hibshman's goal, aided by Larry Ferry with 23 seconds left in the second overtime period gave the Myerstown Mohawks a 2-1 soccer victory over a strong Elco eleven Friday afternoon at Myerstown. With a sweep possession of first place in the Lebanon County Soccer League.

While the Mohawks were grabbing first place at Myerstown, Annville-Cleona's "Little Dutchmen" notched home two goals in the third period in a game played at Annville to score a 2-0 win over South Lebanon and register their first loss win of the season to vacate the cellar position. The loss sent the Indians into the bottom position of the soccer league.

The Rauch squad was at the mercy of the Elco defense in the first period but managed to find Miller standing in Barry Elco. The four goal scored in the second period as the visitors [illegible] Mohawks [illegible] remaining in the fourth and final period unfortunately [illegible] Gene Haag to double the count. Dick Deck's free goals in the first and on the second goal.

With the two victories and the two losses Elco set at 4-3 and Myerstown at 3-2 in the second period but certain second place. With the second overtime period about to be a close to [illegible] Mohawks [illegible] Elco's Barry Miller [illegible] Ferry to drive home the winning goal.



Myerstown Begins Soccer Playoffs At Bethel Monday

The Myerstown Mohawks, Lebanon County soccer champions in Victor Dera, a junior gridiron record, Bethel has compiled will begin District Three PIAA soccer under.

Dera has permitted only three goals to be scored against him and has racked up eight shut outs, six in a row. No team has scored more than one goal against him in any game.

Myerstown's defense has given up eight goals in nine games. Junior defender, Ed Shaw, has chalked up two shutouts and permitted only one team to score two goals in a single game.

Opposing the Mohawks defense will be a Bethel offense which has scored 24 goals in 10 games. Bruce Hommelberger, outside left, leads the scoring parade with [illegible] goals.

Mohawks Edge Elco In Two Overtimes; Little Dutchmen Win

In a thrilling, hard-fought Lebanon County soccer game, the Myerstown Mohawks edged the Elco Barons 2-1, in two overtimes Tuesday on the Schaefferstown field. At South Lebanon, Annville-Cleona posted its two goals in the first period to defeat South Lebanon 3-1, in the other county finale.

Myerstown's first half champs broke into the scoring column in the first period when Glenn Hibshman, inside right, lofted a shot that carried over the head of the Elco goalie and lighted in the net. The Mohawks were on the warpath leading 1-0.

Neither team was able to score in the second period of the hot contest which may well have decided the second half title winner.

Elco Scores

Wilbur Spangler's Barons tied the score in the third period. Barry Elling, outside right and an All-County selection last year, sent a shot past the Mohawk defender. Elco was back in the game 1-1.

The regulation game ended that way as both teams were unable to drop the puck in the fourth quarter sending the game into overtime. It marked the second time the two schools have battled in a two-overtime contest. In the first half of the season, Myerstown came out on top 2-1 in a home engagement.

Midway through the first overtime period the Mohawks scored a goal that won the game.

Larry Ferry, Myerstown's outside right, sent a shot in the left of the Elco goaltender. Dave Engle, in a desperation dive, Engle's managed to get his hands on the ball but couldn't hold it. The ball spun out of his hands and rolled into the left corner of the goal for the deciding score.

Myerstown and Elco had numerous scoring opportunities throughout the game but both goaltenders, Ed Shaw, Myerstown, and Engle, Elco, did outstanding jobs in stopping the shots.

Some activities of the Senior Tri-Hi-Y are as follows: Thanksgiving favors for the Evangelical Congregational Home, Campfire Service, A Christmas Pageant, caroling in the school halls, a Christmas party for the first grade, the Valentine Dance, and active participation of the county Y clubs.

Its leader for 1951-1953 was Mrs. Brightbill, and in 1953 Mrs. Shover became its leader. In the year 1956-57 Mrs. Shaak and Miss Gudeman became the advisors. In 1958-59 Mrs. Shaak and Miss Smeltzer took over the leadership. In 1960-61 Miss Smeltzer was sole advisor of the club. In 1961-62 Miss Smeltzer and Mrs. Hartung share the duties of advising the club.

The club takes part in various projects throughout the year. They sponsor a dance, have panel discussions, Teen Talks, and also the task of presenting the Thanksgiving Assembly. They give Christmas packages to the Twin Spruce Home and send care packages abroad.
